NASHUA, NH - Vern Maine & Associates, an intellectual property law firm in Nashua, New Hampshire, is pleased to announce the relocation of its main office to 547 Amherst Street - 3rd Floor, Nashua NH 03063-4000. According to managing member Vern Maine, "This move has enabled us to prepare a new, larger facility that provides an improved work environment for our team and related amenities for our clients. The new office is also wired end to end for leveraging modern office technologies for greater efficiency and productivity, including improved global communications such as video conferencing with our worldwide network of associates."

The firm has been located in Nashua since its inception in 1993, providing patent and trademark services to a broad array of U.S. and international clients. Clients and friends of the firm are invited to visit the new facilities when convenient. The telephone, facsimile, web address and email addresses all remain the same. Contact the office at (603) 886-6100 or via the web at www.vernmaine.com for more information.
